RESPONSE TO DECISION OF AUGUST 3, 2001

Sir:

As discussed in a telephone interview with PCT Legal Examiner Bryan Tung conducted on August 7, 2001, there is no need to file a petition or fee to respond to the decision because the intent of Applicants was to maintain the names on the declaration as listed on the PCT application.

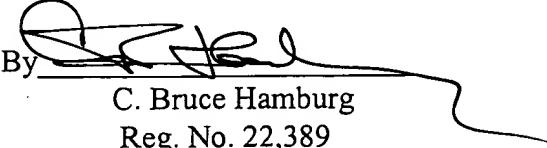

F-6863

The second inventor's name is Noel Sydney Davidson Wood and he is also known as Noel Sydney David Wood. Through a miscommunication we erroneously believed that the second inventor's name was David Sydney Noel Wood and indicated the same in a "EXPLANATION RE NAME OF SECOND INVENTOR." At this time we would like to withdraw the "EXPLANATION RE NAME OF SECOND INVENTOR" and substitute this response in the file to explain the second inventor's name.

Respectfully submitted,
